
21 DAYS OF PRAYER DAY #11 05 26 16

Half way is always a challenge to finish.

Sometimes we are behind at halfway and fear we cannot rise up, meet the challenge, overtake our opponent and finish with a win.

You may feel you have not done well so far. Perhaps you have missed some days or felt empty on others. It does not matter. Get back in the game and press on toward the goal.

Please read [Philippians 3:13-16](#).

Now press on for Christ, His church and His Kingdom.
