## **21 DAYS OF PRAYER DAY 14**

**Kingdom advance is the great purpose of God and we are privileged to be partners with Him.**

**Human history is filled with events that demonstrate God's will to advance His kingdom and be involved in human lives.**

**Our part is first to know God and receive His Son Jesus Christ. Next we are to begin to live as transformed beings.**

**The next step is our progress is to live as ambassadors of our Savior King.**

**Today read and pray through **Ephesians 6:14-20****

**This passage will take some extra time. It is Saturday so a little extra time may be dedicated to your prayer.**

**We are facing a time in history when lines are being drawn. The enemy is doing all he can before Christ returns.**

**Pray we are not idle or asleep as Christians or as a church.  
Welcome to the battle. Victory goes to those who pray.**
