

21 DAYS OF PRAYER DAY 16

Good morning FLCC Family

Today we enter the last week of our 21 Days of Prayer.

In **Matthew 6:33 Jesus tells us what our first priority in daily life should be.**

“Seek first the Kingdom of God and His righteousness, and all these things will be added to you.”

This scripture has always presented a challenge to me personally. The daily needs and pressures of life often overwhelm me. Family, daily routine and even ministry - All these are important and demand attention.

Take time to evaluate your day and be certain to ask the Lord to help you make His Kingdom your first priority.

Blessings
